About Chalet Nougat ...

This luxury property is one of two brand new link-detached chalets. Although traditional in style of build, Chalet Nougat comes with every modern convenience to make sure your holiday is a memorable one, including a lift to all floors.

Chalet Nougat and [Chalet Caramel](#) are linked only by the garages and shared indoor swimming pool and each chalet also then has its own private spa area with a sauna and jacuzzi. Of course, large groups of up to 28 can book the two properties together and enjoy exclusive use of all the facilities. A lift is available for people with reduced mobility.

The charming village of Manigod is a walk away, and offers a popular bakery as well as a restaurant with takeaway service, local speciality food store and post office. And for an even greater holiday, you even have the possibility of a half or full board stay at Chalet Caramel.

The ski bus stops near the chalet, and links the ski station of Croix Fry with the pistes at La Clusaz and Le Grand Bornand is accessible by car too.
